

# Photograph Permission Form

We love to document the fun times that our little bees have during their time with us! We occasionally like to use these photographs for display within the center, display through the parent portal, for art projects, or for advertising purposes.

I give permission to Bumblebee Village for my child(ren) to be photographed during activities while at Bumblebee Village, and acknowledge that no compensation will be paid by Bumblebee Village or any third party to my child(ren) or to me or any other person on behalf of my child(ren) with respect to such use of my child(ren)'s images. I understand that these photographs and images, or reproductions of them, may be used by Bumblebee Village for promotional or advertising purposes, also without compensation by Bumblebee Village or any third party.
